RESPONSE TO NOTICE UNDER 37 CFR 1.251

MAIL STOP RECONSTRUCTION

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Dear Examiner:

On March 9, 2007, the Examiner issued a Reconstruction Notice under 37 C.F.R. 1.251 to reconstruct the prosecution file for the above identified application. In response to the March 9, 2007 Reconstruction Notice under 37 CFR 1.251, in connection with the above-identified application, Applicants have enclosed herewith, (1) a copy of Applicants' record of all correspondence between the Office and the Applicants and (2) a listing of such correspondence.

I hereby certify that the copy of Applicants' record enclosed herewith is a complete and accurate copy of Applicants' record of all of the correspondence between

the Office and the Applicants for the above-identified application. I am not aware of any correspondence between the Office and the Applicants for the above-identified application that is not among the Applicants' records.

Rule 251(a) provides that "In the event that the Office cannot locate the file of an application, patent, or other patent-related proceeding after a reasonable search, the Office will notify the applicant or patentee and set a time period within which the applicant or patentee must comply with the notice in accordance with one of paragraphs (a)(1), (a)(2), or (a)(3) of this section." Applicants note that the prosecution file for the above-identified application was marked lost on April 7, 2005. Nevertheless, the Office failed to issue the Reconstruction Notice referenced above until March 9, 2007, approximately 23 months later. Applicants respectfully submit that the delay in issuing the Reconstruction Notice was not reasonable. Accordingly, Applicants respectfully request that Office consider this period of delay in determining a patent term extension, in the event that the application is deemed allowable and a patent ultimately issues.

An action on the merits is respectfully requested.

Respectfully submitted,  
PILLSBURY WINTHROP SHAW PITTMAN LLP
